Description

Located on the top floor of a building and bathed in exceptional natural light, this apartment in Bemposta, Alvor, is a true gem that exceeds the expectations of a conventional 1-bedroom unit. Situated in a tranquil and strictly residential area, the property benefits from proximity to schools and is just 5 minutes from the beaches.

With an intelligent layout and very generous areas, the sense of space is immediate, providing an amplitude that makes it appear larger than the stated area. The major highlight of this property is the two magnificent terraces. Being at the top of the building, it offers panoramic and unobstructed views over the city and the imposing mountains, guaranteeing privacy and an encompassing scenery that few apartments offer.

Space and Versatility:

The living room, welcoming and equipped with an efficient wood stove to ensure thermal comfort, invites relaxation, while the large terraces equipped with integrated barbecue are perfect for gastronomic gatherings. For those who value extra functionality, the apartment has an additional space of approximately 12 m². With natural light, this space works perfectly as an independent office or studio, offering the versatility of a second bedroom.

The apartment also benefits from storage space in the basement.

This property, with character and maintained impeccably, is located in a building with two elevators. Whether for permanent residence or holidays, this is a unique opportunity to acquire a top floor where tranquility and generous space are the main protagonists.
